## **CITIZENS RULE BOOK & JURY HANDBOOK**

*“Where the Spirit of the Lord is, there is Liberty.”*  
~Corinthians 3:17

This booklet was written in 1976 by Charles Olsen, a WWII Marine veteran and printer from Boston. Family-owned and operated Whitten Printers of Phoenix continues to print and distribute the *Citizens Rule Book*.

My father-in-law – the late Charles R. Olsen, owner of Whitten Printers – printed and distributed millions of copies of this pocket-sized booklet to inform American citizens of their rights. One half of this 61-page booklet contains the complete text of The Declaration of Independence, The United States Constitution, and The Bill of Rights, plus quotes by our Founding Fathers: John Adams, Patrick Henry, Thomas Jefferson, Abraham Lincoln, and others. The second half of the booklet features a Handbook for Jurors, covering important topics about jury duty and juror’s rights. It also contains a summary of the Ten Commandments as compared to the Communist Manifesto. A useful tool for educating children about the values upon which our country was founded. Order in quantity and hand them out to family, friends, schools, co-workers. All of the above in a compact size, at a low price!

**Only \$1.00 each!**
